Interpretation at the IFLA World Library and Information Congress

Once again it will be possible for participants to speak freely in one of the IFLA Working languages (English, French, German, Russian, Spanish and for the first time Chinese) and be confident that their audience will understand them – at least during the major business meetings such as Council and the Opening and Closing sessions, Plenary sessions, newcomers sessions, etc, and also at many section and other presentations, which are marked in the Programme with the magic “SI”. This is due to the presence of a twenty-strong team of volunteer interpreters, mostly employed themselves in the information world, who will be doing their bit to improve professional understanding. They look forward to helping you all – so remember to pick up your headsets when you join the sessions, even if the papers are to be given in a language you understand – interesting contributions can come from any member of the audience. There will also be interpretation into Korean this year to support all the Korean delegates in their attendance.

Internet Cafés

This year there will be 2 Internet Cafés on the exhibition floor, one is sponsored by OCLC and one sponsored by NHN Corporation. They will both be open during the exhibition hours.

How do I make the most of my first World Library and Information Congress?

IFLA will hold a meeting to welcome Newcomers to the World Library and Information Congress – the 'Introduction to IFLA for Newcomers'. The session will feature a variety of contributions from IFLA Officers and a visual presentation. Simultaneous Interpretation in all IFLA Working Languages (English, French, German, Russian, Spanish and Chinese) and Korean will be provided and there will be ample opportunity for questions and answers. While the session is designated for first-time attendees and new IFLA Members, every participant who is curious to learn more about the organisation of IFLA’s international network of Information Professionals is welcome to participate in it. There is a small reception at the end of the session to allow for an informal chat with fellow (new) delegates.

The session will be held on **Sunday 20 August, 13.45-15.45**. The session will take place in room 102-104 in the COEX Convention Centre.

Come by to pick up your Newcomers-package and the special First Timer badge!

Tips for Newcomers

- Be sure to have your business cards ready, if you have them, it’s an easy way to exchange address details.
- It's a good idea to sit down in a quiet place as soon as you have the programme with a highlighter pen and mark all those sessions, workshops and visits which particularly interest you. Once you've decided on your preferred sessions write them in the small ‘Pocket Programme’ provided in your Conference Bag.
- You will be able to identify other Newcomers by their special ‘first-timer’ badge. Try to meet up with them, and share the experience of your first World Library and Information Congress.
- Many receptions this year will serve sufficient snacks and hors d’oeuvres, so you may not have to plan to have a meal afterwards.

Complete the professional issue survey for a chance to win a Sanyo Digital Camera or one of six 1gb Samsung mp3 player on August 23 at the exhibition!

**Conference Papers**

Papers received by the deadline of **07 August** are all available from the Paper Printing Centre.

All papers and translations received before this deadline are also available from IFLANET www.ifla.org.

Papers not received by the deadline of **07 August** will not be processed until after the conference. The only exception to this rule is translations of papers which have already been received and have already been coded. Speakers/Officers with late arriving papers are requested to leave a copy with Sophie Felföldi, IFLA HQ Secretariat (room 317 at the COEX Convention Centre). After the conference they will be coded and made available from IFLA Headquarters in The Hague. They will also be available from www.ifla.org.

**CD-ROM**

All delegates have received in their conference bag a CD-ROM with all papers received until **15 July**. This is a copy of the information that is available on the IFLA web-site. We therefore ask those delegates from countries with quick and easy access to the internet to drop off their copy of the CD at the IFLA Secretariat. Delegates from countries with limited access to the Internet can then come and pick up an extra copy of the CD-ROM to distribute to colleagues in their Region to spread wider access to the papers and knowledge from this conference.
How to make a session successful!

Note for Chairs of Sessions
To ensure that the meeting is successful, session Chairs should:

• Briefly introduce the topic and each speaker, stating the language to be used
• Make sure the speaker uses the microphone, especially if there is simultaneous translation
• Make sure that there is time for questions and discussion, either after each speaker, or at the end of the session
• Ask speakers from the floor to identify themselves and to speak into the microphone
• Make absolutely sure that the session does not run over time, since this will affect any meeting times to follow. The chair of the following meeting has full authority to interrupt a meeting if it overruns.

Notes for Speakers
- Speakers should speak slowly and clearly and keep continuously in mind that for a large percentage of their audience, the language of the presentation is a foreign one.
- Speakers should pay due attention to requests from the interpreters (e.g., to speak more slowly, to speak into the microphone, etc.).
- Whenever possible, speakers should not read their papers, but introduce it, highlight the most important points and in this way encourage the audience to discuss the content of the paper. It is much easier to hold the attention of an audience when speaking from notes.

Pick up your voting documents!

All voting delegates are asked to collect their necessary voting papers at the IFLA Voting Office located in the Secretariat offices in Room 317 at the COEX Convention and Exhibition Centre.

Voting papers will be distributed only to those delegates who are in possession of the IFLA Voting Card 2006, duly signed by the appropriate authority. The IFLA Voting Card was sent to all members whose membership fees for 2006 have been paid.

The Voting Office will be open in the Secretariat every day. Please collect your voting papers as early as possible. Please do not leave it until the last minute!

Voting takes place at the Council Meeting on Thursday, 24th August 2006, in the COEX Convention and Exhibition Centre, Room 102-104, from 15.00-18.00.

All Association Members of IFLA are asked to make sure they bring their voting papers and especially the Quorum Card to the Council Meeting!
